

PLEASE NOTE: In order for the information you include in your “brag sheet” to be easily read in the space available, you need to limit your total **CHARACTER COUNT (not words)** to 650-700. This does not include your Class Will.

Exceeding this character count will require some very tight editing by Yearbook Editors. You can check Character Count in Word or Pages.

Editing decisions will be made by the yearbook staff in consultation with Yearbook Adviser Mr. McGuire.
